EXPERIENCE

Senior Front-End / Web Publishing Developer

February 2018 – Present

KOSIGN · Phnom Penh, Cambodia

- Serve as the front-end and web publishing engineering specialist at KOSIGN for 7+ years, coding and maintaining the company's web platforms from planning through release.
- Build responsive, accessible front-end interfaces using React, TypeScript, and modern CSS tooling, and have adopted AI-assisted development tools to speed up delivery.
- Communicate directly with stakeholders and cross-functional teammates to turn business and editorial requirements into working front-end solutions.
- Own assigned coding tasks end to end, consistently delivering through personal effort and follow-through.

EDUCATION

Bachelor's Degree in Information Technology

2018

Royal University of Phnom Penh (RUPP)
